D Dmaj7 G D
Flowers on the table . . . fragrance is everywhere
Bm F#m G A
I hear the sound of music, as your voice fills up the air
G A D D/Db Bm Bm/A
Cookin' in the kitchen, just singin' to the stove
G A D
You make a house our home

Fill

Remember when it started, many years ago
Remember how it felt just right, even though we didn't really know
We had a sneakin' suspicion it'd grow stronger through the years
Stronger through the laughter, love and tears

A7
It's not the end of anything, but beginning of the new
Happy anniversary, happy birthday to you
D
What a grand adventure, sharing this journey with you
A7 D F#m Em D G Gm D
And if we started all over again, I'd still marry you

Fill

Cards are on the table, the future is an open book
Pages are turning before our eyes, guess we might as well look
And we see our destiny, rollin' down the road
You make the road our home

I wonder where it leads us, and remember everywhere we've been
So many new beginnings, starting all over again
But anywhere we go, I know, with you I'm ready to start
You make my home your heart
